AUTHORIZATION TO DISCLOSE PRIVATE, PROTECTED, OR CONTROLLED RECORDS TO THIRD-PARTY

The Governmental Records Access and Management Act (referred to as GRAMA, which is found in Utah Code § 63G-2-101 et seq.) allows any person to receive a requested record held by a governmental entity unless the requested record is classified as private, protected, or controlled. See Utah Code § 63G-2-201. However, a governmental entity is required to disclose a private, protected, or controlled record to the subject of the record, the parent or legal guardian of an unemancipated minor who is the subject of the record, or any other individual who is authorized. See Utah Code § 63G-2-202. This Authorization Form allows a third-party to obtain an otherwise private, protected, or controlled record with your consent. If you want to allow a third-party to obtain the below records, please complete this form.
